

Minutes of Bridge meeting held 23rd October 2019 at 10am

Present. Terry Bates, Chris Bates, John Turner and Karen Couchman

Terry

Opened the meeting by welcoming us to our first Meeting as the new committee.

He gave praise to Mike Brown who had been Chairperson of the Bridge Section for many years. Mike resigned on 18th October and his resignation was followed by a presentation and vote of thanks at the Monday 21st October Bridge evening. The presentation was on behalf of all Bridge members. Good wishes go to Judy and Mike.

Roles of the committee members

Terry: - Will become the new Chair of the Section and he will co-ordinate meetings, direct on Mondays and Score the results whenever necessary.

Chris: - To continue in her role as Treasurer

John: - Will coordinate the 'Bridge and Chips' events by creating a rota for couples to organise the evening throughout the year.

Karen: Will be Secretary and Minute taker

TB Chris has spoken to Marilyn Jones who is willing to be a registered scorer and be on hand to offer advice as a director when necessary.

CB As Treasurer Chris is aware that no Gratuities are given on 'Bridge and Chips' evenings. Starting from the New Year brown envelopes will be introduced, however the Annual donation to staff will continue. The accounts at the end of 2018 produced a net income of £1159.

TB Terry feels the Bridge Section needs to improve its profile within the Club - for example a designated Notice Board.

As there was no other business, the meeting closed at 11.10am.

Date of next meeting to be arranged.

Minutes approved
