

Andy Green
Application for Trustee of Heswall Golf Club

I have been a **member of Heswall Golf Club** since 1996

Legal Career – qualified as a solicitor in 1978;
1978 – 1981: lecturer at the College of Law, Christleton, Chester;
1981 – 2013 solicitor at DWF, as a partner from 1984;
2002-2009 Head of DWF's Real Estate Department;
2009-2013 Office Managing Partner of DWF's 450-strong Liverpool Office.

Post Retirement (aside from playing golf). Since 2014 I have been a volunteer and Trustee at Wirral 3Is, a charity providing educational and social activities, mainly for the over-50's, based at Bebington Civic Centre.

In 2021 I was appointed to a non-executive post in a north-west based Charitable Foundation with assets in excess of £450m.

But most importantly from 2013, since finishing work, it is true to say that playing golf at Heswall Golf Club has become a large part of my life and provided me with hours of boundless pleasure and of course moments of teeth-grinding and air-turning-blue frustration. I count myself so very lucky to be able to play golf at a wonderful and friendly Club. I am however, very conscious that the facilities that are available to me and all members, do not exist by accident and a very large amount of hard work is put in by many people to achieve this. I would like to add my name to that list and give some of my time to the running and future development of the Club. If things stand still, the Club goes backwards, which cannot be good for the members.

The post of trustee carries with it legal responsibilities which I believe my professional career and post-retirement activities, provide me with the experience to carry out effectively. As a member of Council, I see a trustee as providing support to its work, but importantly, this support should include independence of thought and taking a questioning stance, where appropriate; I would certainly see that as part of my remit.

In brief, I would like to repay my Club for everything it offers to me and so many others and I believe that the important post of trustee is where I have the requisite skills, experience and where I can add value.
